

Systematic Creativity

Please be aware that this list has been automatically translated by DeepL.

Unfortunately, I do not speak your language, therefore I could not correct any errors.

Please be aware that there are certainly wrong translations and false concepts in there.

However, I wanted to make a translation available for as many languages as possible for all non-native speakers of English and German.

I hope it helps you be creative!

| ID | EN |
|---------------|-----------|
| perubahan | change |
| penurunan | decrease |
| mengurangi | lessen |
| meminimalkan | minimise |
| encerkan | dilute |
